# Galaxy Tab S9 FE | Tab S9 FE+ Series

Ready when you are. Doing it in style.

## Galaxy Tab S9 FE | Tab S9 FE+

Being productive has never looked this good. Get ready for epic productivity with the new Galaxy Tab S9 FE Series. Get more done in style. Let your personality shine with the work that you do, and never having to compromise on security.

### Optimised for maximum impact

Get ready for epic productivity with an immersive viewing experience on the new Galaxy Tab S9 FE series. With a smooth **90 HZ** adaptive refresh rate, this means you're able to do more on your tablet - whether it is for work or play or even both.

Team meetings will never be the same. With the Galaxy Tab S9 FE, **12 MP Front Camera** and a 3 MIC solution, convey your most creative ideas with sheer clarity. Build ideas and feedback from the team by activating smart features such as the **Multi-active window**<sup>1</sup> allowing you to split top/bottom and left/right to enhance the multi-tasking experience with limited apps. It allows you to run up to three apps at the same time and gives you the options: Split-screen view and Pop-up view.

Seamlessly collaborate with your team on the go using optimised applications on your Galaxy Tab S9 FE with Microsoft 365 Integration<sup>2</sup>.

Whether it is rain or shine, you'll never have to worry about the tablet. The Galaxy Tab S9 FE boasts an **IP68 rating**<sup>3</sup>, ensuring resilience. Paired with its enduring battery life<sup>4</sup>, this tablet will seamlessly support you in your work, whatever the weather.

### Just as Versatile as you are

The Galaxy Connected experience lets you be in the front seat of all your devices. With the water resistant **S Pen**<sup>5</sup>, penning down your ideas on apps will be easier than ever. Transition seamless across all your Galaxy devices and never skip a beat in what you've been doing even when you switch devices. Pick up from where you left off from tablet to your Samsung Galaxy Smartphone without having to worry about restarting or spending time transferring documents from one device to another.

With **Quickshare**<sup>6</sup>, the inbuilt service, it allows you to even share photos, videos and files without having to pair devices. Use **Smart View** during your presentations by effortlessly mirroring your ideas onto a Smart TV.

Get the PC-like experience with **Samsung DeX**. Multitask between devices like a boss. Connect your Galaxy to your monitor or TV to bring it to life on the big screen. And now, with just a USB cable, unlock your phone's possibilities on PC through Samsung DeX.

### Your Trusted Guardian

Powered by Samsung Knox and Android, the Galaxy Tab S9 are fortified to withstand the most demanding security challenges of today's workplace. Samsung's secure hardware and software integrated based protections ensure your Galaxy Tab S9 stays protected and uncompromised. Running on Android security, open collaboration fosters stronger inspection by security researchers and ecosystem partners.

With Real-time protection and consistent security patches, you are secured against malicious threats at all times.

1. Supported App List vary by region and country

2. Microsoft Office license required for purchase to edit Excel, Word or PowerPoint documents. License sold separately.

3. Water and dust resistant based on IP68 rating under IEC standard 60529, which tests submersion in fresh water at up to 1.5 meters for up to 30 minutes. Resistance may decrease as a result of normal wear. Rinse residue/dry if wet. Not advised for beach or pool use.

4. Typical value tested under third-party laboratory conditions. Typical value is the estimated average value considering the deviation in battery capacity among the battery samples tested under IEC 61960 standard. Rated (typical) capacity is 8,000 mAh for Galaxy Tab S9 FE and 10,090 mAh for Galaxy Tab S9 FE+. Actual battery life may vary depending on network environment, usage patterns and other factors.

5. The inbox S Pen for Galaxy Tab S9 FE and Tab S9 FE+ is water and dust-resistant with an IP68 rating. Based on lab test conditions for submersion in up to 1.5 meters of freshwater for up to 30 minutes. Not advised for beach or pool use. Water and dust resistance of the S Pen is not permanent and may diminish over time because of normal wear and tear. S Pen Creator Edition sold separately.

6. All functions are supported from One UI 5.1. Availability of One UI 5.1 may vary depending on device, country, region and carrier. Each device needs to have One UI 5.1, have Bluetooth turned on and be connected to the same Samsung account. Continue app on other devices is only compatible with Samsung Internet and Samsung Notes. For this feature to work, the two devices you are going to use must be signed in to the same Samsung account and connected to the same Wi-Fi network, with Bluetooth and Continue on other devices feature enabled on both devices. Image simulated for illustrative purposes. Actual UI may be different.

7. Measured diagonally, Galaxy Tab S9 FE's screen size is 10.9" in the full rectangle and 10.8" accounting for the rounded corners. Galaxy Tab S9 FE+'s screen size is 12.4" in the full rectangle and 12.4" accounting for the rounded corners. Actual viewing area is less due to the rounded corners and the camera hole.patterns and other factors.

8. Book Cover Keyboard sold separately. The product is available for Galaxy Tab S9 FE and Tab S9 FE+. Product design may vary by model.Certain apps may not support multi windows.
